SUMMARY

Frontend / Full Stack Developer with experience in React, Next.js, passionate about technology, constantly learning and embracing every opportunity for growth and improvement. Previously, I applied my skills in the tourism sector, which helped strengthen teamwork and adaptability—abilities I consider essential in collaborative environments.

SKILLS

- **TECHNICAL**: JAVASCRIPT - TYPESCRIPT - REACTJS - NEXTJS - NODE - TAILWIND - CSS - HTML - ASTRO - GIT - EXPRESS - SQL - FIGMA - MATERIAL UI
- **SOFT SKILLS**: TEAMWORK - EFFECTIVE COMMUNICATION - ADAPTABILITY - PROBLEM SOLVING.

EXPERIENCE

Full Stack Developer - Sanko Electronica Naval   **Aug 2025 - Present**
Stack: *Next.js - React - TypeScript - Tailwind - NestJs*   *Hybrid - Mar del Plata*

Responsibilities:
- Built and maintained reusable components using React, Next.js, TypeScript, and Tailwind CSS.
- Implemented the shopping cart logic with Zustand, including state persistence in localStorage.
- Developed the frontend checkout and payment workflow.
- Integrated REST APIs and collaborated with the backend team to ensure correct data handling on the front end.
- Wrote and maintained E2E tests with Cypress for key user flows and unit tests with Jest for critical front end components.
- Participated in code reviews, version control with Git, and deployments to staging environments.
- Documented technical decisions and supported QA testing by validating features and edge cases.

Achievements:
- Delivered the first functional MVP with core catalog, cart, and checkout features.
- Improved frontend performance by optimizing component rendering and applying lazy loading to reduce initial load time.
- Applied different rendering strategies, including SSR, ISR, and CSR, to optimize performance and loading behavior across the application.
- Set up a basic CI pipeline using GitHub Actions to automatically run tests on PR before each merge.

EDUCATION

Universidad Tecnológica Nacional   **GPA: 3.7/4.0 (9/10, Argentine grading scale)**
Programming Technician   *2021 - 2022*

Universidad Nacional de Mar del Plata
Lic. in Tourism   *2008 - 2014*

LANGUAGES

Spanish - Native
English - C2 EF SET English Certificate 80/100
