SUMMARY

I am a developer with a passion for technology. I am constantly learning and embrace every opportunity for growth and self improvement. From 2008 to 2021, I applied my skills in the tourism sector which has given me a solid foundation in teamwork and adaptability, skills that I consider essential in any collaborative environment.

SKILLS

HTML, CSS, JAVASCRIPT, TAILWIND, REACT, NEXT, ASTRO, NODE, EXPRESS, GIT, SQL, FIGMA, MATERIAL UI, TEAMWORK, EFFECTIVE COMMUNICATION, ADAPTABILITY, PROBLEM SOLVING.
